YOUR SPEAKERS

Nido Qubein

The Time is Now! The Keys to Thriving in the Face of Resistance and Living an Extraordinary Life

Nido Qubein came to the United States as a teenager with little knowledge of English, no contacts and only \$50 in his pocket, yet ended up a mega success story. He learned fast and started a bank in 1986 and today he serves on the board and executive committee of a Fortune 500 financial corporation with 155 billion dollars in assets. Nido Qubein is president of High Point University, an accredited undergraduate and graduate institution with 3,500 students from 50 countries and 44 states. He is also chairman of Great Harvest Bread Company with 218 stores in 42 states. He doesn't just talk business, he lives it. His foundation provides scholarships to 48 deserving young people each year. To date, the Qubein Foundation has granted more than 600 scholarships, worth over six million dollars. Forbes Magazine rated Nido as the **6th most motivational speaker in the world**.

Allen Tappe

The Purpose Performance Life Challenge:

A systematic approach to enhance the potency of your life today

Allen Tappe is the President of The Tappe Group. He is a professional speaker, trainer, and coach whose mission is to equip people with the skills and knowledge necessary to achieve the success they choose to pursue. Tappe is the creator of Purposed Performance, an operating system for personal performance, growth, and development. The anchor message of Purposed Performance that Tappe consistently teaches to all audiences is that an individual must "cross the line" from the bondage of being a victim to the freedom of being a purposed performer in order to achieve any real life success. Tappe provides a powerful and inspiring methodology to implementing purposeful change in your life.

Dr. Michael Fling

The Complexity of Simplicity:

10 things I've learned to revolutionize your life & grow your learning

Dr. Michael Fling began his career in dentistry in 1976 as a laboratory technician. He supported himself through college and dental school working as a laboratory technician. Dr. Fling is the founder and President of "Fling Seminars", providing advanced dental education to dental teams and technicians throughout the country. He has lectured internationally to dental and laboratory associations and to various study groups. He is considered by many to be one of the most talented esthetic and restorative dentists practicing today.

Kirk Behrendt

The 4 Pieces to Life's Perplexing Puzzle:

The disciplines to prolong your career, health, and fulfillment

Kirk Behrendt is a practice performance coach, international speaker and author. Kirk has invested his entire professional life studying the elite practices in dentistry and the leadership that guides them. By creating a talented team of experts, Kirk and his team continue to positively impact the practice of dentistry one practice at a time. His personal mission is to use up every ounce of his potential. Kirk lectures all over the world to help individuals take control of their own lives. Kirk has competed internationally in 4 Ironman Triathlons and 9 Half-Iron Triathlons. He currently trains with some of the best triathletes competing in the world today. His feeling is that there is no greater parallel to optimal business performance than optimal athletic performance.
