

The Affiliate Marketing Partner System of ACT Dental U

The Quadruple Win Structure

You get compensated 4 different ways when you become an Affiliate Marketing Partner of ACT Dental U

1

ACT Dental U Live Stream

Do a **ONE HOUR PRESENTATION** on the **Free Daily Live Stream** (formerly known as the COVID-19 Relief Dental Conference)

The **Live Stream** will remain available to view for **48 hours** after it is posted

Then it goes into the ACT Dental U Paid Membership (\$199 per month.) As an affiliate partner, you are assigned a unique membership web page url that you can provide to all your contacts. Every time someone activates a membership using your link, they are linked to your affiliate partner account. You will be compensated **30%** of all the membership fees inked to your account. This recurring monthly revenue continues for as long as they are members of the ACT U.

2

ACT U Master Class

You do a **2 HOUR MASTER CLASS** (90 min lecture & 30 min Q&A) and are compensated 50% of the tuition fees (\$49/person), or the guaranteed minimum honorarium, whichever is larger.

You promote to your list that you are going to do a **MASTER CLASS** for ACT Dental U and that they can save **\$100** on a membership if they join via your web link.

When someone joins ACT Dental U's Paid Membership and uses your web link, saving \$100 on the \$199 monthly membership fee, you are compensated **30%** (\$29.70) per user / per month as an affiliate on that membership fee for as long as they stay active members.

3

Promote YOURSELF within ACT U.

Promote the heck out of your products and services openly within the U.

You naturally earn sales of your own products and services from presenting to the over 31,000 members of the FREE ACT Dental U membership

4

Grow Your Revenue When Speaking Outside the ACT U.

Your ACT U affiliate partnership is "non-exclusive."

We don't prevent you from working elsewhere and making an income doing other presentations. Present as little or as much as you want in the U. Promote it to your list to grow your **Monthly Recurring Revenue** with us as an **Affiliate Partner**.

Grow your recurring revenue even when you work outside the ACT U. Encourage all your dental contacts and lecture attendees to access your lectures in the U. By providing your unique web link, you get paid every month for every member.
